5/8" (1.5 cm) seam allowance included in all measurements.

1 Cut

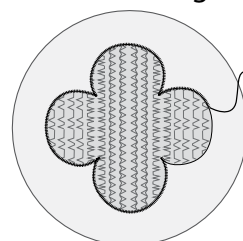

- From white silk fabric 2 pieces 8"x8" (20x20) cm
- From white linen fabric 2 circles 8 1/4" (21 cm) in diameter.
- From terry fabric 1 piece 24"x27" (61x68 cm)

2 Embellish pillow ends

- Trace the flower template on pattern paper. [see Template A](#)
- Press fusible interfacing at the wrong side of the silk piece. Draw a line with the marking pen/chalk across the center of the silk piece. Place tear away stabilizer under silk piece. Choose one stitch of your choice and sew along the line. To mirror image the stitch, turn the fabric and sew the same stitch from the other direction with the edge of the presser foot following the first stitch.
- Continue sewing different stitches, keeping the same distance, until you have filled an area enough for cutting out the flower. Remember to mirror image stitches by changing the direction you sew from.
- Tear off the stabilizer. Press paper backed fusible webbing to the wrong side.
- Center the flower template on top of the stitches, pin and cut out flower.

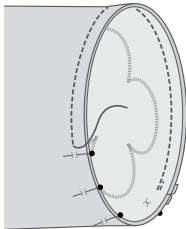

- Remove the paper from the fusible webbing. Press the flower centred on to the linen piece.
- Snap on Open Toe Appliqué Foot. Choose a zigzag stitch (0.25 mm long 3 mm wide). Sew zigzag around the edge of the flower.

- Make a covered button from a piece of silk fabric. Sew the button in the middle of the flower. Repeat for the other short side.

3 Sew

- Sew an invisible zipper or a zipper between the two longest sides 27" (68cm). Instruction for sewing zipper see Accessory Catalogue. Divide the tube end in quarters and mark. Divide the embellished piece in quarters and mark.
- Place the round embellished piece inside the tube, right sides together, with the quarter marking on embellished piece matching quarter markings on tube end.
- Pin and sew with a straight stitch.

- Press. Turn the cover right sides out.
- Slide foam rubber roll into cover, close the zipper.

5/8" (1.5 cm) seam allowance included in all measurements.

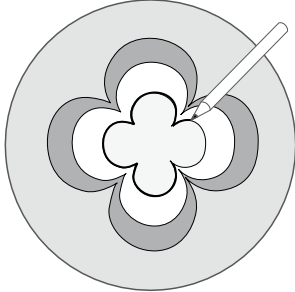

- Trace the flower templates (three sizes) on pattern paper.
[see Template B](#)
- Press paper backed fusible webbing to the wrong side of the silk pieces. Remove paper from fusible webbing.

1 Cut

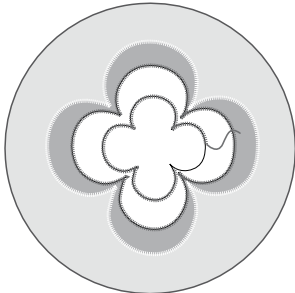

- From purple silk fabric - 2 pieces of the large flower.
- From white silk fabric - 2 pieces of the medium flower.
- From turquoise linen fabric 2 circles 8 1/4" (21 cm) in diameter.
- From terry fabric 1 piece 24"x27" (61x68 cm)

2 Embellish pillow ends:

- Press the purple flower centred on the linen piece. Press the medium white flower on the purple flower. Center the small flower template in the white flower and trace around it.

- Snap on Open Toe Appliqué Foot. Choose a zigzag stitch (0.25 mm long 3 mm wide). Place tear away stabilizer under and sew zigzag around the edge of the flowers and along the inner traced flower line. Use white embroidery thread for the purple flower and turquoise thread for the white flower and the inner traced flower.

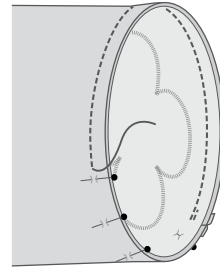

Make a covered button from a piece of purple silk fabric. Sew the button in the middle of the flower. Repeat for the other short side.

3 Sew

- Sew an invisible zipper or a zipper between the two longest sides 27" (68 cm). Instruction for sewing zipper see Accessory Catalogue. Divide the tube end in quarters and mark. Divide the embellished piece in quarters and mark.

You will find these and many other accessories in our Pfaff Accessory User's Guide, on web site www.pfaff.com, and for purchase at your nearest Pfaff Dealer.

5/8" (1.5 cm) seam allowance included in all measurements.

1 Cut

From turquoise silk fabric 10"x20" (25x50 cm)

From batting 10"x20" (25x50 cm)

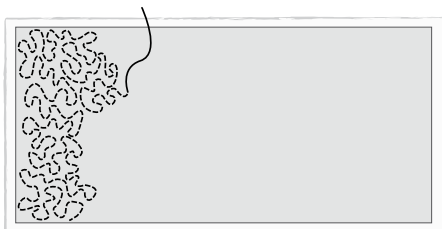

From terry fabric 24"x27" (61x68 cm)

2 Stippling pillow ends

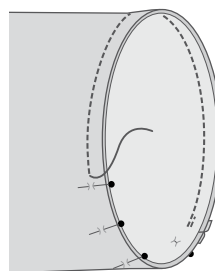

- Place the 10"x20" (25x50 cm) silk fabric on top of the 10"x20" (25x50 cm) batting. Set your Pfaff sewing machine for free motion. For information about setting the machine see your users guide. Attach the Open Toe Free Motion foot. Lower the feed dogs. Select straight stitch and move the fabric under the foot making puzzles. For even stitches move the fabric in a smooth, even motion. Move the fabric so the stitching does not cross.

- After you have stippled the 10"x20" (25x50 cm) silk and batting cut out 2 circles 8 1/4" (21 cm) diameter

3 Sew

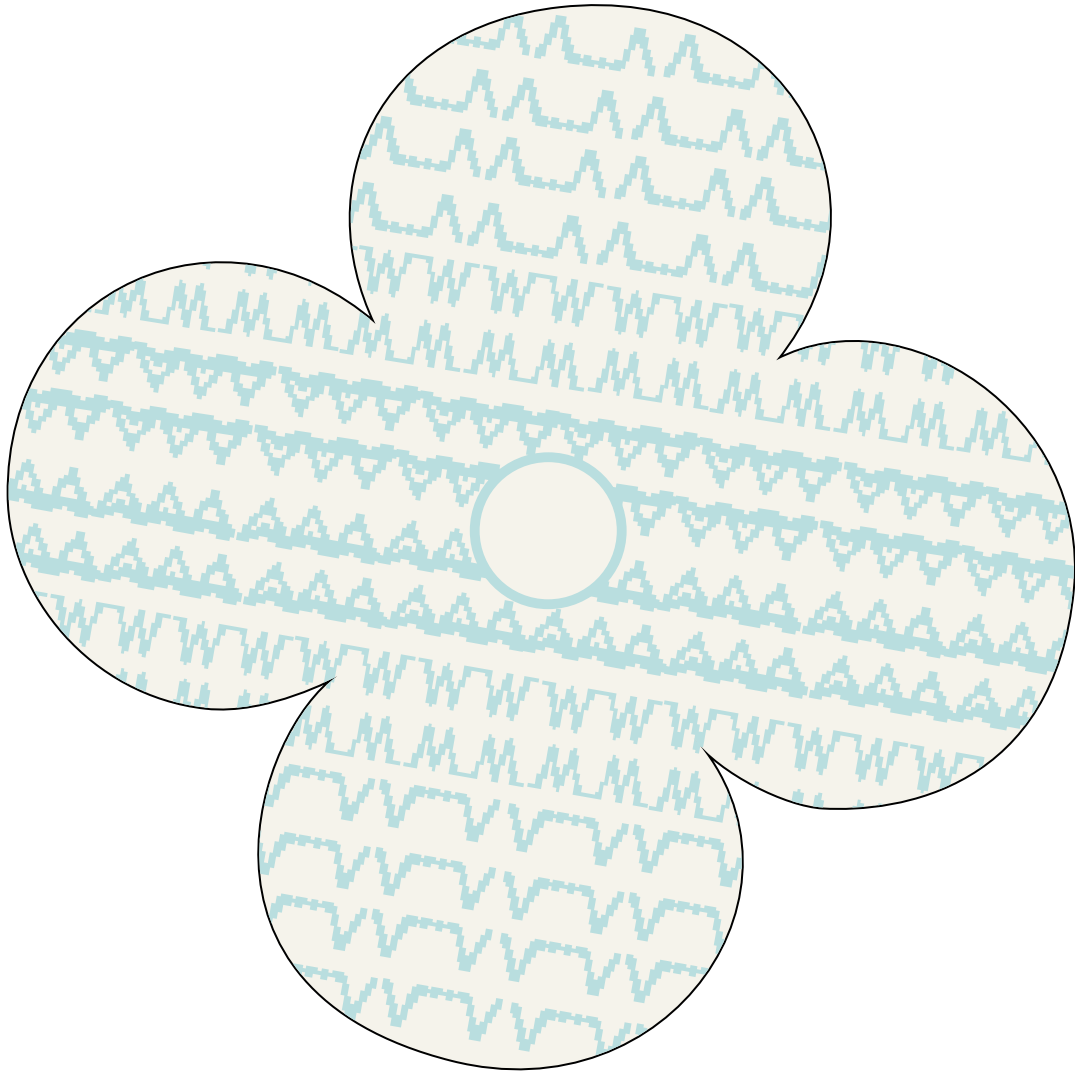

- Sew an invisible zipper or a zipper between the two longest sides 27" (68 cm). Instruction for sewing zipper see Accessory Catalogue. Divide the tube end in quarters and mark. Divide the embellished piece in quarters and mark.
- Place the round embellished piece inside the tube, right sides together, with the quarter marking on embellished piece matching quarter markings on tube end.
